## STRESEMANN SEEKS TO CHECK BAVARIANS

### CLAIM BORDERERS INTENT ON TAKING BERLIN CAPITOL

REICHSWERH TROOPS OCCUPIED  
THE RAILWAY CENTER OF  
WEIMER TODAY

IF MONARCHISTS ATTEMPT  
SUDDEN RUSH IS THOUGHT THEY  
MAY USE RAILWAYS

(By United Press)  
Berlin, Nov. 8.—Chancellor  
Stresemann's government today  
prepared to head off the threat-  
ened march of Bavarian border-  
ers to Berlin.

The Reichswahr troops today oc-  
cupied the railway center of Weimer  
near the border of Thuringia.

It was believed that any attempt  
of the monarchist borderers to make  
a sudden rush on Berlin, they would  
probably try to use the railways  
passing through Weimer.

### 1 KILLED, 35 HURT IN RIOTS OF UNEMPLOYED

Berlin, Nov. 8.—One man was  
killed and 35 wounded in demonstra-  
tions by unemployed in the Bonifacius  
mine district of Kray, delayed  
dispatches from Gelsinkirchen said  
today.

Unemployed seized the local in-  
spector of police as a hostage, com-  
plaining of trifling with unemploy-  
ment doles.

After heavy fighting police rescued  
him and broke up the demonstration.

### FURTHER DEVELOPMENTS. REPARATION CONFERENCE

Washington, Nov. 8.—France to-  
day is understood to have the last  
word of the United States as to whether  
it will be worthwhile for this  
government to proceed with the pro-  
posed expert conference to examine  
into Germany's capacity to pay repara-  
tions.

The climax now is believed to have  
been reached by negotiations to  
reach a basis of agreement between  
the different powers for this final at-  
tempt to bring about a new settle-  
ment of the reparation controversy.

### FRANCE WILL NOT TOLERATE DICTATORSHIP

Paris, Nov. 8.—France will not  
tolerate a dictatorship in Germany,  
Premier Poincare told the Strese-  
mann cabinet in a note today, it was  
authoritatively learned.

The note was believed to have re-  
sulted from the delay in reforming  
the Stresemann cabinet following re-  
signation of the socialist members  
last week, and to the failure to have  
the Reichstag convene again today.

Reports have been received for  
some time that conservative and re-  
actionary parties in Germany favored  
a proclamation of a dictatorship.

Premier Poincare's objection to a  
dictatorship in Germany was believed  
to be that it may only be a step  
toward restoration of the monarchy  
and would certainly mean a govern-  
ment that would balk at carrying out  
the Versailles treaty.

### SEPARATISTS AND CIVILIANS CLASH

Berlin, Nov. 8.—One person was  
killed and many wounded in a clash  
between separatists and civilians at  
Kaiserslautern, dispatches said.

The separatists were trying to seize  
one store of food, according to re-  
ports.

### Kansas Woman Kills Wolf With Pitchfork

Emporia, Kan., Nov. 8.—Mrs. J. E.  
Adams, wife of a Kansas farmer,  
fought a successful battle with a tim-  
ber wolf, killing the animal with a  
pitchfork. The wolf was attempting  
to catch chickens when Mrs. Adams,  
mistaking it for a coyote, tried to  
scare it away with a hay fork. The  
wolf turned on the woman and with  
her back against a wagon she fought  
the animal for 10 minutes, beating it  
with the fork handle and jabbing with  
the tines. The wolf was 52 inches  
long, the largest ever seen in this  
part of Kansas.

## U. C. T. Men Are Trade Ambassadors of Nation

### ASK MILLIONS TO FIGHT RUM RUNNERS OF SEAS

(By United Press)  
Washington, Nov. 8.—Secretary  
of the Treasury Mellon will ask  
congress for a special appropriation  
of from \$2,000,000 to \$4,000,000  
to enable the coast guard to fight  
rum runners, it was an-  
nounced at the treasury depart-  
ment today.

At the same time congress will  
be called on to give the coast  
guard specific authority to engage  
in the suppression of the rum  
fleet.

### ADMINISTRATION PROGRAM PLANNED

### PRES. COOLIDGE CENTERS ABIL- ITY AND SAGACITY ON THE SAME

LAWRENCE MARTIN  
(Copyright 1923 by United Press)  
Washington, Nov. 8.—All Presi-  
dent Coolidge's natural and acquired  
political ability and sagacity are be-  
ing concentrated on the preparation  
of the administration program for  
the 68th congress which meets in  
about three weeks.

The president and all his most  
competent advisors realize that his  
rivals for the republican presidential  
nomination, his democratic opposi-  
tion and the people generally are go-  
ing to pass new judgments of him  
on his first message to congress.

From now on Mr. Coolidge will  
give most of his time to getting ready  
for congress. His method of prepara-  
tion is interesting and somewhat  
illustrating as to the measures he  
will depend on in dealing with a  
congress that threatens to be ex-  
tremely troublesome.

In the first place Mr. Coolidge's  
program is to bear the Harding  
stamp to a considerable degree.  
Therefore, Mr. Coolidge has called on  
Mr. Harding's cabinet officers to as-  
sist him fully in bringing the pro-  
gram into concrete form. An in-  
stance of his determination to stick  
close to the Harding policies is his  
position on the budget. Mr. Hard-  
ing said the budget to be submitted  
in December must not exceed \$1-  
700,000,000.

With Mr. Harding gone there was  
a general effort to "edge up" and  
the budget threatened to go above \$2-  
000,000,000. Mr. Coolidge told de-  
partment heads and congressional  
leaders including Secretary of Com-  
merce Hoover and Senator Curtis he  
must insist that the budget law be  
preserved and that the budget itself  
be kept within the Harding figure.

Another instance is his refusal to  
throw overboard the departmental  
reorganization plan President Hard-  
ing initiated. It was slated for the  
disband because the plan worked out  
by Walter Brown called for consoli-  
dation of the war and navy depart-  
ments under one head and other re-  
volutionary changes. Mr. Coolidge  
told Brown to be at the cabinet meet-  
ing Friday when an effort will be  
made to get the cabinet together on  
the plan.

### Reserve Board Limits State Bank Branch to Parent Concern's City

Washington, Nov. 8.—The Federal  
Reserve board, announcing its de-  
cision in the branch banking con-  
troversy, late today adopted a condition  
of membership in the reserve system  
of state banks that they agree to es-  
tablish no branches except within the  
city where the parent bank is located.  
The new policy is effective Feb. 1,  
1924.

A resolution adopted by the board  
declared that establishment of branch-  
es by state banks produced an in-  
equitable situation for national banks,  
which cannot establish branches with-  
out permission of the controller of the  
currency.

### CLOTHING STORE THIEVES GAIN \$10,000 LOOT

25 FUR COATS, 250 MEN'S SUITS,  
LARGE LOT OF WOMEN'S  
DRESSES TAKEN

JOE KLEIN OF SANDSTONE OWN-  
ER OF STORE, PRACTICALLY  
RUINED BY THE LOSS

(By United Press)  
Sandstone, Minn., Nov. 8.—  
Clothing store thieves early to-  
day looted the Klein Clothing  
company, incorporated, of \$10,000  
worth of suits, fur coats and  
women's wear.

The robbers made a clean getaway,  
the theft not being discovered until  
7:30 a. m. Twenty-five fur coats, be-  
tween 250 and 300 men's suits, and  
a large number of women's dresses  
comprised the loot.

Joe Klein, formerly of Minneapolis,  
and manager of the store here for  
eight years, said the robbery meant  
virtual ruin. He immediately offered  
\$500 reward for the arrest or convic-  
tion of the thieves and \$1,000 reward  
for the return of the goods.

"Clothing store thieves have been  
active over the state for the last  
month and small town merchants have  
been virtually helpless against them.  
I believe the robbers are disposing  
of their goods in the Twin Cities," he  
said.

"I am offering a reward because  
that seems to be the only method of  
securing aid from the police. I hope  
the reward offered is big enough to  
get results. The thieves, of course,  
may be able to bid higher.

"We are mostly interested in the  
return of the goods. The robbers so  
depleted our stock at a time when we  
could not afford to be idle, that it  
nearly ruined us. I am going to New  
York to buy, but shipments will not  
arrive in time to help our fall trade.  
The robbers profit on the small town  
merchant's losses and the police  
smile."

### DARING ROBBERY OF COUNTY BANK

Aberdeen, S. D., Nov. 8.—The  
Farmers State Bank at Troy, South  
Dakota, was robbed of \$500 by a dan-  
gerous daylight bandit early today.

A tall slim man entered the bank  
with his coat collar partially cover-  
ing his face and ordered George Reim-  
nath, assistant cashier to throw up  
his hands.

Reimnath was the only one at the  
bank at the time. The bandit reach-  
ed into the cash drawer and took  
\$500 in currency lying there. He  
left and hopped into a new Ford  
roadster that was waiting for him.

Another man was in the car ready  
to start. As soon as Reimnath could  
get out of the bank he gave the alarm  
and several cars took up the chase  
for the fleeing men, but found no  
trace of them. The bandits made  
no effort to get into the vault or to  
spend any time looking for more  
than the \$500.

### Navy Flier Sets New Record for Ascending Speed; Mile in Minute

Mitchell Field, N. Y., Nov. 8.—In  
one minute an airplane went nearly  
one mile high and man had made an-  
other mark in the sky.

More comparable, perhaps, with the  
passage of lightning than anything  
else mortals have seen the airplane  
rose from the wet turf of Mitchell field  
and flashed upwards. In the pilot's  
seat was Lieutenant A. J. Williams,  
holder of the world's speed record,  
which he established last week at  
265.8 miles an hour.

His feat was the culmination of a  
day of thrills witnessed by 30,000 peo-  
ple undeterred by the rain.

### JUSTICE OF SUPREME COURT HELD UP BY TWO HIGHWAYMEN

(By United Press)  
St. Paul, Nov. 8.—Royal A.  
Stone, associate justice of the state  
supreme court, was a victim of  
two highwaymen near the capitol  
last night.

A middle-aged man held a gun  
on him while a boy ransacked his  
pockets of \$25.

"Why do you do this?" asked  
Justice Stone.

"Because I am hard up—got to  
have money."

"Are you married?"

"Yes."

"Are you a service man?"

"I served in the marines."

"This is foolishness," said the  
justice. "If you would come to  
my office I would loan you more  
than this."

"Yes, and I would get arrested  
for begging."

Justice Stone reported the rob-  
bery to the police.

### WHITNEY IS TO LEAVE HOSPITAL

### FRIENDS WILL TAKE HIM BY AUTOMOBILE TO ST. PAUL TO MEET WIFE

(By United Press)  
St. Cloud, Minn., Nov. 8.—Arthur  
E. Whitney, head prohibition agent  
attacked by bootleggers at New Mun-  
ich recently, will be released from  
St. Raphael's hospital this afternoon.  
Friends will take him to St. Paul  
by automobile where he will greet  
his wife, Anne Whitney, and their  
twelve day old daughter, whom he  
has not yet seen.

Whitney's skull was split with an  
axe when he battled with bootleggers  
on a truck, and he remembers noth-  
ing of the attack. Physicians be-  
lieve his memory will gradually re-  
turn.

### ORCHESTRA LEADER HAD A PAST

St. Cloud, Nov. 8.—Frederick Gif-  
ford, former Minneapolis and Winni-  
peg orchestra leader, disappeared  
from Avon today where his automo-  
bile was wrecked two days ago and  
his friend, Wilton H. Dart, lost his  
life.

Four years ago Gifford was in a  
fashion had prison records in Canada  
according to information furnished  
police here. Expose of Gifford's iden-  
tity came through the St. Cloud Jour-  
nal Press. He had used the name of  
Harry Wilson after the accident in  
which his car overturned and both  
men were pinned beneath it.

Dart, according to police, served a  
year in Winnipeg for alleged em-  
bezzlement from the Manitoba bank  
commission.

Gifford, police charged, was con-  
victed in 1919 as the brains of a gang  
which cheated the Canadian govern-  
ment out of thousands of dollars on a  
scheme by which foreign exchange  
brought home by Canadian soldiers  
was exchanged at par for Canadian  
money.

Gifford, it was alleged, accumulat-  
ed huge amounts of foreign money  
and exchange through ex-soldier con-  
federates.

When confronted with the name  
Gifford at Avon where he was regis-  
tered as Harry Wilson, he dashed out  
and disappeared, leaving his automo-  
bile in a garage there unclaimed.

Both Gifford and Dart conducted  
orchestras in Minneapolis and Win-  
nipeg and Dart is said to have been  
band master of the 184th Canadian  
infantry.

Copenhagen, Nov. 8.—Great Britain,  
according to the Ekstrabladet, re-  
cently made overtures to Denmark for  
buying Greenland, asking in addition  
that she be allowed to make the first  
offer of purchase if Denmark wished  
to sell at a future date. The reply  
of the Danish government, the news-  
paper said, was that the island was  
not for sale and never would be.

### STILLMAN DIVORCE CASE MAY AGAIN BE AIRED IN COURT

FOLLOWS PUBLICATION OF THE  
MUCH DISCUSSED "CONFES-  
SION" LETTER

WHICH THE BANKER CLAIMS TO  
HAVE RECEIVED FROM HIS  
WIFE

(By United Press)  
New York, Nov. 8.—A new  
trial of the suit for divorce  
brought by James A. Stillman,  
the banker, against Anna U.  
Stillman, appeared possible to-  
day following publication of the  
much discussed "confession" let-  
ter which the banker claims he  
received from his wife.

Stillman submitted the letter to  
the appellate division of the supreme  
court in Brooklyn yesterday as basis  
for an appeal from the decision of  
Justice Morschauer, refusing him a  
divorce.

U. Gleason (referee in the case),  
previously had barred the letter.

If the appellate division of the  
supreme court shows Gleason was  
wrong, it was said a new trial will  
be ordered.

### Attorney Denies Contents of Letter

John F. Brennan, attorney for Mrs.  
Stillman, last night denied the en-  
tire contents of the document, a  
throbbing and somewhat incoherent  
statement of suffering, in a state-  
ment for his client.

Brennan said his client repudiated  
the entire document, adding it should  
not have been published.

Attorneys say Stillman apparently  
bases contention on two phrases of  
the letter, which read:

### Refers to Indian Baby

"If you were going to have an In-  
dian baby that you tried not to hate."

And the other:  
"Fred meant to be kind to me, but  
he had won me. I was his and no  
one else wanted me and he is much  
Indian."

"Fred" presumably referred to  
Fred Beauvis, a half breed Indian  
guide of the Quebec woods who,  
Stillman claims, is the father of Baby  
Guy Stillman.

The letter was filed by Stillman's  
attorney, Cornelius J. Sullivan, ac-  
companied with a stenographic re-  
port of all the proceedings in the  
case. The report was bound in three  
volumes of 1,819 pages.

### Letter is Tremendously Human

The so-called "confession letter,"  
whether genuine or not, is a tremen-  
dously human document baring the  
soul of a tortured woman.

Written in a bold hand, at times  
almost incoherent phrases, it tells of  
mental agony of the writer when  
caught in something over which she  
had little control.

The letter frequently refers to con-  
versations with Dr. Hugh L. Russell  
of Buffalo, whose testimony was ru-  
led out by the referee.

### Is Unsigned

The letter is not signed, but the  
handwriting, attorneys for the rich  
banker declare, is similar to that of  
Anne U. Stillman.

It contains several references to  
the Indian guide, Fred Beauvis, and  
to J. S., presumably the bankers' fa-  
ther.

"I love you," one paragraph be-  
gins, "J. S. did not want you to mar-  
ry me."

### Telegram Also Offered

In addition to the alleged "confes-  
sion letter" and a second letter al-  
leged to have been written to Fred  
Beauvis, there has been added to the  
appeal a copy of a telegram said to  
have been sent by Mrs. Stillman to  
Dr. Russell, dated November 19,  
1917, eleven months before the al-  
leged "confession letter" was writ-  
ten.

### CLAIMS LETTERS ARE NOTHING NEW

New York, Nov. 8.—"We have re-  
ceived a judgment and we are going

### YOUNG DEER FEEDS ON THE FARM OF P. B. ANDERSON NEAR TOWN

Deer are evidently aware of the  
fact that it's a closed season for  
them, for P. B. Anderson, who has  
a farm near Brainerd, reported a  
young one feeding on his place  
the other evening.

The deer wasn't a bit afraid and  
did not scamper away upon his  
approach. The animal calmly  
eyed Mr. Anderson, as much as to  
say, "Don't bother me while I'm  
picking up a lunch here."

### STOKES BEGINS NEW FIGHT FOR CHILDREN

### DIVORCE PLAINTIFF SEEKS TO NULLIFY 4 YEAR OLD DECREE BY JUDGE LINDSEY

New York, Nov. 8.—With the trial  
of his suit for divorce still in pro-  
gress before a jury in the supreme  
court, William E. D. Stokes launched  
another legal attack against Mrs. Hel-  
en Elwood Stokes with the object of  
wresting from her the custody of the  
two Stokes children, James, 9, and  
Murial, 8.

The new episode is an action to  
nullify the decree four years ago by  
Judge Ben B. Lindsey in the Denver  
juvenile court, awarding the two chil-  
dren permanently to Mrs. Stokes.

Supporting his charge that Judge  
Lindsey was prejudiced against him  
Stokes quoted from the opinion ac-  
companying the decision of the Den-  
ver jurist:

"The evidence shows that this man  
(Stokes) is a vile degenerate and a  
dope fiend. Children are unsafe with  
a moral leper of his caliber."

### AUTOIST SUED FOR \$21,000 DAMAGES

Little Falls, Minn., Nov. 8.—The  
most important cases to be tried at  
the November term of district court,  
which opened here with Judge Car-  
roll A. Nye of Moorhead on the bench,  
are those of Alice S. Roberts and Al-  
fred Roberts vs. A. B. Dennis. The  
plaintiffs are suing for damages to-  
talling \$21,000, alleged to have been  
received last November when an auto-  
mobile driven by Dennis ran into one  
occupied by them on the paved high-  
way south of this city.

### BARRACKS BUILDINGS BURN AT FT. NIAGARA

(By United Press)  
Niagara Falls, N. Y., Nov. 8.—Sev-  
eral large barracks buildings were  
reported burning at Ft. Niagara, 10  
miles north of here. Fire companies  
from Youngstown, Lewiston and Ni-  
agara Falls are fighting the flames.

### 7 Buildings Lost

Fire today destroyed seven build-  
ings at Ft. Niagara with a loss of  
\$25,000. Soldiers of the 28th in-  
fantry aided in subduing the flames.

### to stand by it," John F. Brennan, at- torney for Mrs. Anne U. Stillman,

said today in reply to James A. Still-  
man's action in making public the al-  
leged "confession letter" of his  
wife in an appeal for a rehearing of  
his suit for divorce.

Brennan denied he had described  
the "confession letter" as a forgery,  
but pointed out that Mrs. Stillman  
in her affidavit had denied ever hav-  
ing written any of the letters sub-  
mitted by her husband, including the  
"confession document."

"They (the letters) are nothing  
new," Brennan said in a statement  
at Yonkers.

"We received a judgment and we  
are going to stand by it. We will  
argue the case in the courts and not  
in the newspapers. We already know  
the public opinion. The appeal is on  
the calendar for December, but may  
be argued before that time."

### BRAINERD COUNCIL HAS BIG MEETING SATURDAY, NOV. 10

COMMERCIAL TRAVELERS PLAN  
A MOST PROGRESSIVE PRO-  
GRAM FOR SEASON

MEMBERSHIP CAMPAIGN SET IN  
MOTION BY SENIOR COUNSEL-  
LOR CHAS. W. GUSTAFSON

United Commercial Travelers  
of America, Brainerd Council No.  
545, has planned a progressive  
program for the season which  
will be announced and set in mo-  
tion by Senior Counsellor Chas.  
W. Gustafson on Saturday even-  
ing, November 10, at Odd Fel-  
lows hall.

Business is picking up in all com-  
mercial lines, Brainerd is extending  
its trade territory in all directions  
and more commercial travelers are mak-  
ing Brainerd headquarters to reach  
such territory.

From a membership of 39, Brainerd  
Council hopes to expand into a coun-  
cil of close to one hundred. Senior  
Counsellor Gustafson will set the ball  
rolling in this membership campaign  
and as he believes in the force of a  
good example and is an A-No. 1 sales-  
man when it comes to selling the U.  
C. T. plan, he has already garnered a  
sheaf of applications for membership.

The traveling man is the ambassa-  
dor of trade, of good will, and many  
times shows more real diplomacy, tact,  
business ability, loyalty to his town  
and his company and his goods, than  
any other class of representatives.

A traveling man of Brainerd Coun-  
cil No. 545 may be termed a walking  
advertisement for Brainerd. He be-  
lieves in this town or he would not  
make his home here. He is a power  
for good and constructive citizenship.

In the membership campaign insti-  
tuted by Senior Counsellor Gustafson  
it is hoped that every traveling man  
in this territory, eligible to join, will  
link hands with the Brainerd Council,  
and assist to make this a big and ac-  
tive council.

The social program for the ladies  
will not be neglected and it is ex-  
pected to launch a series of card parties,  
dances, etc.

The official organ of the U. C. T. is  
a fraternal magazine unexcelled any-  
where. It has been a trail blazer in  
the campaign for better business  
methods, better relations between men  
on the road and men at the desk, an  
exponent of the Golden Rule in all  
business.

### PARKING PLACES FOR TEAMS PUZZLES AUSTIN

Austin, Minn., Nov. 7.—The Austin  
city council is debating the matter of  
providing parking places for teams  
and wagons, and the matter seems to  
have resolved itself to the point where  
vacant spaces must be rented and  
maintained by the city. At the last  
council meeting farmers protested  
against the "favoritism" shown auto-  
mobile owners, to the detriment of  
horse owners who want to do business  
here. Councilmen admitted the point  
was well taken, but the sentiment  
against hitchhiking posts was strong.  
Several vacant lots are under consid-  
eration, to be leased and cared for  
by the city, to accommodate teams.

### Chambers of Commerce Plan to Affiliate

Duluth, Minn., Nov. 7.—An affiliation  
of the chambers of commerce in this  
section of the country, including Du-  
luth, the Range towns of Superior,  
Port Arthur and Fort William, will be  
perfected at a conference here late  
this month, according to plans that  
will be made at a special meeting of  
the directors of the local chamber to-  
day. The call was issued by James  
H. Harper, president of the local  
chamber.

## STRESEMANN SEEKS TO CHECK BAVARIANS

### CLAIM BORDERERS INTENT ON TAKING BERLIN CAPITOL

REICHSWEHR TROOPS OCCUPIED  
THE RAILWAY CENTER OF  
WEIMER TODAY

IF MONARCHISTS ATTEMPT SUD-  
DEN RUSH IS THOUGHT THEY  
MAY USE RAILWAYS

(By United Press)  
Berlin, Nov. 8.—Chancellor  
Stresemann's government today  
prepared to head off the threat-  
ened march of Bavarian border-  
ers to Berlin.

The Reichswehr troops today oc-  
cupied the railway center of Weimer  
near the border of Thuringia.

It was believed that any attempt  
of the monarchist borderers to make  
a sudden rush on Berlin, they would  
probably try to use the railways  
passing through Weimer.

### 1 KILLED, 35 HURT IN RIOTS OF UNEMPLOYED

Berlin, Nov. 8.—One man was  
killed and 35 wounded in demon-  
strations by unemployed in the Bonifac-  
ius mine district of Kray, delayed  
dispatches from Gelsinkirchen said  
today.

Unemployed seized the local in-  
spector of police as a hostage, com-  
plaining of trifling with unemploy-  
ment doles.

After heavy fighting police rescued  
him and broke up the demonstration.

### FURTHER DEVELOPMENTS. REPARATION CONFERENCE

Washington, Nov. 8.—France to-  
day is understood to have the last  
word of the United States as to whether  
it will be worthwhile for this  
government to proceed with the pro-  
posed expert conference to examine  
into Germany's capacity to pay re-  
parations.

The climax now is believed to have  
been reached by negotiations to  
reach a basis of agreement between  
the different powers for this final at-  
tempt to bring about a new settle-  
ment of the reparation controversy.

### FRANCE WILL NOT TOLERATE DICTATORSHIP

Paris, Nov. 8.—France will not  
tolerate a dictatorship in Germany,  
Premier Poincare told the Strese-  
mann cabinet in a note today, it was  
authoritatively learned.

The note was believed to have re-  
sulted from the delay in reforming  
the Stresemann cabinet following re-  
signation of the socialist members  
last week, and to the failure to have  
the Reichstag convene again today.

Reports have been received for  
some time that conservative and re-  
actionary parties in Germany favored  
a proclamation of a dictatorship.

Premier Poincare's objection to a  
dictatorship in Germany was believed  
to be that it may only be a step  
toward restoration of the monarchy  
and would certainly mean a govern-  
ment that would balk at carrying out  
the Versailles treaty.

### SEPARATISTS AND CIVILIANS CLASH

Berlin, Nov. 8.—One person was  
killed and many wounded in a clash  
between separatists and civilians at  
Kaiserslautern, dispatches said.

The separatists were trying to seize  
some stores of food, according to re-  
ports.

### Kansas Woman Kills Wolf With Pitchfork

Emporia, Kan., Nov. 8.—Mrs. J. E.  
Adams, wife of a Kansas farmer,  
fought a successful battle with a tim-  
ber wolf, killing the animal with a  
pitchfork. The wolf was attempting  
to catch chickens when Mrs. Adams,  
mistaking it for a coyote, tried to  
scare it away with a hay fork. The  
wolf turned on the woman and with  
her back against a wagon she fought  
the animal for 10 minutes, beating it  
with the fork handle and jabbing with  
the tines. The wolf was 52 inches  
long, the largest ever seen in this  
part of Kansas.

### ASK MILLIONS TO FIGHT RUM RUNNERS OF SEAS

(By United Press)  
Washington, Nov. 8.—Secretary  
of the Treasury Mellon will ask  
congress for a special appropriation  
of from \$2,000,000 to \$4,000,-  
000 to enable the coast guard to  
fight rum runners, it was an-  
nounced at the treasury depart-  
ment today.

At the same time congress will  
be called on to give the coast  
guard specific authority to engage  
in the suppression of the rum  
fleet.

### ADMINISTRATION PROGRAM PLANNED

PRES. COOLIDGE CENTERS ABIL-  
ITY AND SAGACITY ON THE  
SAME

LAWRENCE MARTIN  
(Copyright 1923 by United Press)  
Washington, Nov. 8.—All Presi-  
dent Coolidge's natural and acquired  
political ability and sagacity are be-  
ing concentrated on the preparation  
of the administration program for  
the 68th congress which meets in  
about three weeks.

The president and all his most  
competent advisors realize that his  
rivals for the republican presiden-  
tial nomination, his democratic oppo-  
sition and the people generally are go-  
ing to pass new judgments of him  
on his first message to congress.

From now on Mr. Coolidge will  
give most of his time to getting ready  
for congress. His method of prepara-  
tion is interesting and somewhat  
illustrating as to the measures he  
will depend on in dealing with a  
congress that threatens to be ex-  
tremely troublesome.

In the first place Mr. Coolidge's  
program is to bear the Harding  
stamp to a considerable degree.  
Therefore, Mr. Coolidge has called on  
Mr. Harding's cabinet officers to as-  
sist him fully in bringing the pro-  
gram into concrete form. An in-  
stance of his determination to stick  
close to the Harding policies is his  
position on the budget. Mr. Hard-  
ing said the budget to be submitted  
in December must not exceed \$1-  
700,000,000.

With Mr. Harding gone there was  
a general effort to "edge up" and the  
budget threatened to go above \$2-  
000,000,000. Mr. Coolidge told de-  
partment heads and congressional  
leaders including Secretary of Com-  
merce Hoover and Senator Curtis he  
must insist that the budget law be  
preserved and that the budget itself  
be kept within the Harding figure.

Another instance is his refusal to  
throw overboard the departmental  
reorganization plan President Hard-  
ing initiated. It was slated for the  
discard because the plan worked out  
by Walter Brown called for consoli-  
dation of the war and navy depart-  
ments under one head and other re-  
volutionary changes. Mr. Coolidge  
told Brown to be at the cabinet meet-  
ing Friday when an effort will be  
made to get the cabinet together on  
the plan.

### Reserve Board Limits State Bank Branch to Parent Concern's City

Washington, Nov. 8.—The Federal  
Reserve board, announcing its de-  
cision in the branch banking con-  
troversy, late today adopted a condition  
of membership in the reserve system  
of state banks that they agree to es-  
tablish no branches except within the  
city where the parent bank is located.  
The new policy is effective Feb. 1,  
1924.

A resolution adopted by the board  
declared that establishment of branch-  
es by state banks produced an in-  
equitable situation for national banks,  
which cannot establish branches with-  
out permission of the controller of  
the currency.

### CLOTHING STORE THIEVES GAIN \$10,000 LOOT

25 FUR COATS, 250 MEN'S SUITS,  
LARGE LOT OF WOMEN'S  
DRESSES TAKEN

JOE KLEIN OF SANDSTONE OWN-  
ER OF STORE, PRACTICALLY  
RUINED BY THE LOSS

(By United Press)  
Sandstone, Minn., Nov. 8.—  
Clothing store thieves early to-  
day looted the Klein Clothing  
company, incorporated, of \$10,-  
000 worth of suits, fur coats and  
women's wear.

The robbers made a clean getaway,  
the theft not being discovered until  
7:30 a. m. Twenty-five fur coats, be-  
tween 250 and 300 men's suits, and  
a large number of women's dresses  
comprised the loot.

Joe Klein, formerly of Minneapolis,  
and manager of the store here for  
eight years, said the robbery meant  
virtual ruin. He immediately offered  
\$500 reward for the arrest or convic-  
tion of the thieves and \$1,000 reward  
for the return of the goods.

"Clothing store thieves have been  
active over the state for the last  
month and small town merchants have  
been virtually helpless against them.  
I believe the robbers are disposing  
of their goods in the Twin Cities," he  
said.

"I am offering a reward because  
that seems to be the only method of  
securing aid from the police. I hope  
the reward offered is big enough to  
get results. The thieves, of course,  
may be able to bid higher.

"We are mostly interested in the  
return of the goods. The robbers so  
depleted our stock at a time when we  
could not afford to be idle, that it  
nearly ruined us. I am going to New  
York to buy, but shipments will not  
arrive in time to help our fall trade.  
The robbers profit on the small town  
merchant's losses and the police  
smile."

### DARING ROBBERY OF COUNTY BANK

Aberdeen, S. D., Nov. 8.—The  
Farmers State Bank at Troy, South  
Dakota, was robbed of \$500 by a dar-  
ing daylight bandit early today.

A tall slim man entered the bank  
with his coat collar partially cover-  
ing his face and ordered George Reim-  
ath, assistant cashier to throw up  
his hands.

Reimath was the only one at the  
bank at the time. The bandit reached  
into the cash drawer and took  
\$500 in currency lying there. He  
left and hopped into a new Ford  
roadster that was waiting for him.  
Another man was in the car ready  
to start. As soon as Reimath could  
get out of the bank he gave the alarm  
and several cars took up the chase  
for the fleeing men, but found no  
trace of them. The bandits made  
no effort to get into the vault or to  
spend any time looking for more  
than the \$500.

### Navy Flier Sets New Record for Ascending Speed; Mile in Minute

Mitchell Field, N. Y., Nov. 8.—In  
one minute an airplane went nearly  
one mile high and man had made an-  
other mark in the sky.

More comparable, perhaps, with the  
passage of lightning than anything  
else mortals have seen the airplane  
rose from the wet turf of Mitchell field  
and flashed upwards. In the pilot's  
seat was Lieutenant A. J. Williams,  
holder of the world's speed record,  
which he established last week at  
266.8 miles an hour.

His feat was the culmination of a  
day of thrills witnessed by 20,000 peo-  
ple undeterred by the rain.

### JUSTICE OF SUPREME COURT HELD UP BY TWO HIGHWAYMEN

(By United Press)  
St. Paul, Nov. 8.—Royal A.  
Stone, associate justice of the state  
supreme court, was a victim of  
two highwaymen near the capitol  
last night.

A middle-aged man held a gun  
on him while a boy ransacked his  
pockets of \$25.

"Why do you do this?" asked  
Justice Stone.

"Because I am hard up—got to  
have money."

"Are you married?"

"Yes."

"Are you a service man?"

"I served in the marines."

"This is foolishness," said the  
justice. "If you would come to  
my office I would loan you more  
than this."

"Yes, and I would get arrested  
for begging."

Justice Stone reported the rob-  
bery to the police.

### WHITNEY IS TO LEAVE HOSPITAL

FRIENDS WILL TAKE HIM BY  
AUTOMOBILE TO ST. PAUL  
TO MEET WIFE

(By United Press)  
St. Cloud, Minn., Nov. 8.—Arthur  
E. Whitney, head prohibition agent  
attacked by bootleggers at New Mun-  
ich recently, will be released from  
St. Raphael's hospital this afternoon.

Friends will take him to St. Paul  
by automobile where he will greet  
his wife, Anne Whitney, and their  
twelve day old daughter, whom he  
has not yet seen.

Whitney's skull was split with an  
axe when he battled with bootleggers  
on a truck, and he remembers nothing  
of the attack. Physicians be-  
lieve his memory will gradually re-  
turn.

### ORCHESTRA LEADER HAD A PAST

St. Cloud, Nov. 8.—Frederick Gif-  
ford, former Minneapolis and Winni-  
peg orchestra leader, disappeared  
from Avon today where his automo-  
bile was wrecked two days ago and  
his friend, Wilton H. Dart, lost his  
life.

old ones are in the hands of the  
fession had prison records in Canada  
according to information furnished  
police here. Expose of Gifford's iden-  
tity came through the St. Cloud Jour-  
nal Press. He had used the name of  
Harry Wilson after the accident in  
which his car overturned and both  
men were pinned beneath it.

Dart, according to police, served a  
year in Winnipeg for alleged em-  
bezzlement from the Manitoba bank  
commission.

Gifford, police charged, was con-  
victed in 1919 as the brains of a gang  
which cheated the Canadian govern-  
ment out of thousands of dollars on a  
scheme by which foreign exchange  
brought home by Canadian soldiers  
was exchanged at par for Canadian  
money.

Gifford, it was alleged, accumulat-  
ed huge amounts of foreign money  
and exchange through ex-soldier con-  
federates.

When confronted with the name  
Gifford at Avon where he was regis-  
tered as Harry Wilson, he dashed out  
and disappeared, leaving his automo-  
bile in a garage there unclaimed.

Both Gifford and Dart conducted  
orchestras in Minneapolis and Win-  
nipeg and Dart is said to have been  
band master of the 184th Canadian  
infantry.

Copenhagen, Nov. 8.—Great Britain,  
according to the Ekstrabladet, re-  
cently made overtures to Denmark for  
buying Greenland, asking in addition  
that she be allowed to make the first  
offer of purchase if Denmark wished  
to sell at a future date. The reply  
of the Danish government, the news-  
paper said, was that the island was  
not for sale and never would be.

### STILLMAN DIVORCE CASE MAY AGAIN BE AIRED IN COURT

FOLLOWS PUBLICATION OF THE  
MUCH DISCUSSED "CONFES-  
SION" LETTER

WHICH THE BANKER CLAIMS TO  
HAVE RECEIVED FROM HIS  
WIFE

(By United Press)  
New York, Nov. 8.—A new  
trial of the suit for divorce  
brought by James A. Stillman,  
the banker, against Anna U.  
Stillman, appeared possible to-  
day following publication of the  
much discussed "confession" let-  
ter which the banker claims he  
received from his wife.

Stillman submitted the letter to  
the appellate division of the supreme  
court in Brooklyn yesterday as basis  
for an appeal from the decision of  
Justice Morschauer, refusing him a  
divorce.

U. Gleason (referee in the case),  
previously had barred the letter.  
If the appellate division of the  
supreme court shows Gleason was  
wrong, it was said a new trial will  
be ordered.

Attorney Denies Contents of Letter  
John F. Brennan, attorney for Mrs.  
Stillman, last night denied the en-  
tire contents of the document, a  
throbbing and somewhat incoherent  
statement of suffering, in a state-  
ment for his client.

Brennan said his client repudiated  
the entire document, adding it should  
not have been published.

Attorneys say Stillman apparently  
bases contention on two phrases of  
the letter, which read:

Refers to Indian Baby  
"If you were going to have an In-  
dian baby that you tried not to hate."  
And the other:

"Fred meant to be kind to me, but  
he had won me. I was his and no  
one else wanted me and he is much  
Indian."

"Fred" presumably referred to  
Fred Beauvis, a half breed Indian  
guide of the Quebec woods who,  
Stillman claims, is the father of Baby  
Guy Stillman.

The letter was filed by Stillman's  
attorney, Cornelius J. Sullivan, ac-  
companied with a stenographic re-  
port of all the proceedings in the  
case. The report was bound in three  
volumes of 1,819 pages.

Letter is Tremendously Human  
The so-called "confession letter,"  
whether genuine or not, is a tremen-  
dously human document baring the  
soul of a tortured woman.

Written in a bold hand, at times  
almost incoherent phrases, it tells of  
mental agony of the writer when  
caught in something over which she  
had little control.

The letter frequently refers to con-  
versations with Dr. Hugh L. Russell  
of Buffalo, whose testimony was ru-  
led out by the referee.

Is Unsigned  
The letter is not signed, but the  
handwriting, attorneys for the rich  
banker declare, is similar to that of  
Anne U. Stillman.

It contains several references to  
the Indian guide, Fred Beauvis, and  
to J. S., presumably the bankers' fa-  
ther.

"I love you," one paragraph be-  
gins, "J. S. did not want you to mar-  
ry me."

Telegram Also Offered  
In addition to the alleged "confes-  
sion letter" and a second letter al-  
leged to have been written to Fred  
Beauvis, there has been added to the  
appeal a copy of a telegram said to  
have been sent by Mrs. Stillman to  
Dr. Russell, dated November 19,  
1917, eleven months before the al-  
leged "confession letter" was writ-  
ten.

### YOUNG DEER FEEDS ON THE FARM OF P. B. ANDERSON NEAR TOWN

Deer are evidently aware of the  
fact that it's a closed season for  
them, for P. B. Anderson, who has  
a farm near Brainerd, reported a  
young one feeding on his place  
the other evening.

The deer wasn't a bit afraid and  
did not scamper away upon his  
approach. The animal calmly  
eyed Mr. Anderson, as much as to  
say, "Don't bother me while I'm  
picking up a lunch here."

### STOKES BEGINS NEW FIGHT FOR CHILDREN

DIVORCE PLAINTIFF SEEKS TO  
NULLIFY 4 YEAR OLD DECREE  
BY JUDGE LINDSEY

New York, Nov. 8.—With the trial  
of his suit for divorce still in pro-  
gress before a jury in the supreme  
court, William E. D. Stokes launched  
another legal attack against Mrs. Hel-  
en Elwood Stokes with the object of  
wresting from her the custody of the  
two Stokes children, James, 9, and  
Murial, 8.

The new episode is an action to  
nullify the decree four years ago by  
Judge Ben B. Lindsey in the Denver  
juvenile court, awarding the two chil-  
dren permanently to Mrs. Stokes.

Supporting his charge that Judge  
Lindsey was prejudiced against him  
Stokes quoted from the opinion ac-  
companying the decision of the Den-  
ver jurist:

"The evidence shows that this man  
(Stokes) is a vile degenerate and a  
dope fiend. Children are unsafe with  
a moral leper of his caliber."

### AUTOIST SUED FOR \$21,000 DAMAGES

Little Falls, Minn., Nov. 8.—The  
most important cases to be tried at  
the November term of district court,  
which opened here with Judge Car-  
roll A. Nye of Moorhead on the bench,  
are those of Alice S. Roberts and Al-  
fred Roberts vs. A. B. Dennis. The  
plaintiffs are suing for damages to-  
talling \$21,000, alleged to have been  
received last November when an auto-  
mobile driven by Dennis ran into one  
occupied by them on the paved high-  
way south of this city.

(By United Press)  
Niagara Falls, N. Y., Nov. 8.—Sev-  
eral large barracks buildings were  
reported burning at Ft. Niagara, 19  
miles north of here. Fire companies  
from Youngstown, Lewiston and Ni-  
agara Falls are fighting the flames.

ings at Ft. Niagara with a loss of

to stand by it," John F. Brennan, at-  
torney for Mrs. Anne U. Stillman,  
said today in reply to James A. Still-  
man's action in making public the  
alleged "confession letter" of his  
wife in an appeal for a rehearing of  
his suit for divorce.

Brennan denied he had described  
the "confession letter" as a forgery,  
but pointed out that Mrs. Stillman  
in her affidavit had denied ever hav-  
ing written any of the letters sub-  
mitted by her husband, including the  
"confession document."

"They (the letters) are nothing  
new," Brennan said in a statement  
at Yonkers.

"We received a judgment and we  
are going to stand by it. We will  
argue the case in the courts and not  
in the newspapers. We already know  
the public opinion. The appeal is on  
the calendar for December, but may  
be argued before that time."

### BRAINERD COUNCIL HAS BIG MEETING SATURDAY, NOV. 10

COMMERCIAL TRAVELERS PLAN  
A MOST PROGRESSIVE PRO-  
GRAM FOR SEASON

MEMBERSHIP CAMPAIGN SET IN  
MOTION BY SENIOR COUNSEL-  
LOR CHAS. W. GUSTAFSON

United Commercial Travelers  
of America, Brainerd Council No.  
545, has planned a progressive  
program for the season which  
will be announced and set in mo-  
tion by Senior Counsellor Chas.  
W. Gustafson on Saturday even-  
ing, November 10, at Odd Fel-  
lows hall.

Business is picking up in all com-  
mercial lines, Brainerd is extending  
its trade territory in all directions and  
more commercial travelers are mak-  
ing Brainerd headquarters to reach  
such territory.

From a membership of 39, Brainerd  
Council hopes to expand into a coun-  
cil of close to one hundred. Senior  
Counsellor Gustafson will set the ball  
rolling in this membership campaign  
and as he believes in the force of a  
good example and is an A-No. 1 sales-  
man when it comes to selling the U.  
C. T. plan, he has already garnered a  
sheaf of applications for membership.

The traveling man is the ambassa-  
dor of trade, of good will, and many  
times shows more real diplomacy, tact,  
business ability, loyalty to his town  
and his company and his goods, than  
any other class of representatives.

A traveling man of Brainerd Coun-  
cil No. 545 may be termed a walking  
advertisement for Brainerd. He be-  
lieves in this town or he would not  
make his home here. He is a power  
for good and constructive citizenship.

In the membership campaign insti-  
tuted by Senior Counsellor Gustafson  
it is hoped that every traveling man  
in this territory, eligible to join, will  
link hands with the Brainerd Council,  
and assist to make this a big and ac-  
tive council.

The social program for the ladies  
will not be neglected and it is ex-  
pected to launch a series of card  
parties, dances, etc.

The official organ of the U. C. T. is  
a fraternal magazine unexcelled any-  
where. It has been a trail blazer in  
the campaign for better business  
methods, better relations between men  
on the road and men at the desk, an  
exponent of the Golden Rule in all  
business.

### PARKING PLACES FOR TEAMS PUZZLES AUSTIN

Austin, Minn., Nov. 7.—The Austin  
city council is debating the matter of  
providing parking places for teams  
and wagons, and the matter seems to  
have resolved itself to the point where  
vacant spaces must be rented and  
maintained by the city. At the last  
council meeting farmers protested  
against the "favoritism" shown auto-  
mobile owners, to the detriment of  
horse owners who want to do business  
here. Councilmen admitted the point  
was well taken, but the sentiment  
against hitching posts was strong.  
Several vacant lots are under consid-  
eration, to be leased and cared for  
by the city, to accommodate teams.

### Chambers of Commerce Plan to Affiliate

Duluth, Minn., Nov. 7.—An affiliation  
of the chambers of commerce in this  
section of the country, including Du-  
luth, the Range towns of Superior,  
Port Arthur and Fort William, will be  
perfected at a conference here late  
this month, according to plans that  
will be made at a special meeting of  
the directors of the local chamber to-  
day. The call was issued by James  
H. Harper, president of the local  
chamber.

## YEOMEN DANCING PARTY

Followed Regular Meeting of Lodge, D. E. Canty Speaking to Members

About one hundred and fifty people, including members of the Yeoman lodge and their friends, enjoyed a dancing party at Elks hall on Wednesday evening. Hedstrom's orchestra furnished the music, which included a number of old-time dances as well as the latest ones, since the party was announced as an "Old-Time dance."

The regular meeting of the lodge preceded the party. D. E. Canty, transfer man for the insurance department of the order, addressed the lodge on the plan which is being adopted by the Yeomen for transferring the assessment method of handling insurance formerly used, to the reserve method, similar to old line insurance.

The next meeting of the lodge is scheduled for Wednesday, Nov. 21st, at which time it is planned to stage a card party and luncheon.

## MADAME BAILEY APFELBECK PLAYS

American Pianist of International  
Reputation Will Appear in  
Recital

### AT BRAINERD MUSICAL CLUB

Date of Concert is Saturday After-  
noon, November 10, at 3  
O'clock

Of unusual interest will be the  
first Saturday afternoon concert  
given by the Brainerd Musical club  
this season which is to be Saturday,  
November 10th, at Elk's hall at 3  
o'clock. Madame Bailey-Apfelbeck,  
American pianist of international  
reputation, will appear in recital,  
and though the program has not yet  
been announced, a delightful after-  
noon is in store for the fortunate  
members of this club.

Madame Apfelbeck, who is as-  
sociated with the Minneapolis School  
of Music, has complimented Min-  
neapolis by choosing to make her  
home there, as she is considered one  
of the greatest artists of our country.  
No American musician has ever re-  
ceived such high honors abroad.  
Mme. Apfelbeck is the most highly  
decorated artist in the world, her  
great art and her genius having  
opened European doors for her fame.  
King Albert, of Belgium, himself a  
great musician and patron of music,  
summoned her to play for him  
privately at his castle. The monarch  
was delighted, shook her hand and  
said these remarkable words: "You  
are one of the few artists which two  
continents will be proud to claim—  
Europe and America."

Mme. Bailey-Apfelbeck's wonder-  
ful ability was clearly evidenced in  
her great success with the Minneap-  
olis Symphony Orchestra. In speak-  
ing of her Emil Oberhoffer said:  
"Her success was instantaneous.  
Mme. Apfelbeck is an artist of  
superior order; she belongs in the  
front rank of pianists before the pub-  
lic."

Dr. Victor Nilsson, the authorita-  
tive musical critic of the Minneap-  
olis Journal said of Mme. Apfelbeck's  
playing: "She was simply superb in  
her playing of the 'Appassionata'.  
The greatest of musicians have played  
it here but Mme. Bailey-Apfel-  
beck's performance of it can well  
stand comparison with such musi-  
cians as d'Albert, Godowski and Pa-  
drewski." Truly, the coming con-  
cert is to be a real "club treat."

### Brainerd Girl a Pupil

Miss Mildred Bredenberg is a  
pupil of Mme. Bailey-Apfelbeck,  
artist instructor of the Minneapolis  
School of Music. Miss Bredenberg  
is preparing to give a recital in Min-  
neapolis in the near future under the  
presentation of Mme. Apfelbeck.

### CHANGES IN WORLD MAP

Evangelist M. E. Anderson Describes  
Same in His Lecture at  
Gardner Hall  
(Contributed)

A good company gathered last  
night to hear Evangelist M. E.  
Anderson deliver his lecture "The  
Coming Inevitable Change in the  
World Map." In introducing his re-  
marks Mr. Anderson said, "Bible  
writings are classified into historical,  
poetical, doctrinal and prophetic.  
All are important. All are true. It  
takes all four to make a complete  
Bible."

He said, "There is no future with  
God: with Him there is no past; all  
is present. God sees the end from  
the beginning and knows all. Pro-  
phesy is history in advance. Only  
God can accurately outline coming  
events. He has seen fit to open up  
the future in wonderful lines of Bible  
prophecy. The prophecy of the  
great image found in Daniel 2nd  
chapter bridges time from B. C. 500  
down to the ushering in of the  
kingdom of Christ and eternity."

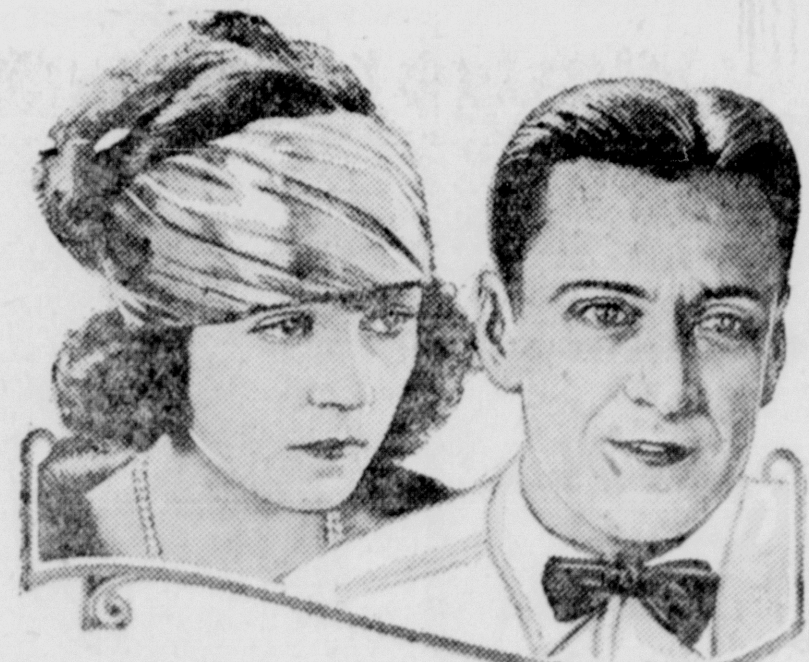

Prophecy of the Great Image

On Friday night the subject will  
be "The Glorious Return of the  
Prince of Peace. The Greatest  
Event of the Age." This subject  
will be illustrated by songs and pic-  
tures.

Tonight, in connection with the  
subject, "Heaven, Where Will It Be?  
Is it a Real Place? Will We Know  
Each Other There? A special song  
will be rendered by a ladies' quartet  
entitled "The Beautiful Land," il-  
lustrated profusely by new colored  
slides.

## GOLDEN WEDDING IS CELEBRATED

Mr. and Mrs. C. O. Olson of Nokay  
Lake Township Entertained  
120 Guests

### ON SUNDAY, NOVEMBER 4TH

Happy Couple is Presented With a  
Purse of Gold, Rev. O. L. Bolstad  
Making Address

Mr. and Mrs. O. C. Olson, pioneer  
residents of Nokay lake township,  
celebrated their golden wedding on  
Sunday, November 4th, entertaining  
120 guests, relatives and friends, that  
evening.

A short program was arranged for  
the occasion. John M. Bye rendered  
several vocal selections, accompanied  
by Miss Mabel Rosenberg at the  
piano. Rev. O. L. Bolstad of the  
Norwegian-Danish Lutheran church,  
made a few appropriate remarks and  
presented Mr. and Mrs. Olson with a  
purse of sixty dollars in gold.

Out-of-town guests included Mrs.  
B. Hanson of St. Paul and Mrs. L.  
Storey of Minneapolis, daughters of  
Mr. and Mrs. Olson, and Mrs. C. Han-  
son of Duluth, their granddaughter.

The evening closed with a delicious  
luncheon and a social hour.

Mr. and Mrs. Olson were married  
November 4th, 1873, in Aspelund  
church, Goodhue county, Minnesota.  
Rev. Osten Hanson performing the  
ceremony. Shortly afterward they  
moved to Iowa, residing near Cresco  
for three years. At that time there  
was a plague of grasshoppers  
throughout Iowa, which drove the  
Olsons back to Minnesota, to Todd  
county, where they lived until 1886,  
when they came to Crow Wing  
county, settling on a homestead in  
Nokay lake township. They have  
resided there for the past thirty-  
seven years.

Thirteen children were born to  
Mr. and Mrs. Olson, eight of whom  
are living. They are Edward and  
Carl, who live with their parents,  
Mrs. Charles Jernberg of Brainerd,  
Mrs. B. Hanson of St. Paul, Mrs. L.  
Storey of Minneapolis, Mrs. Anna  
Jones, of Omaha, Miss Ines of Miles  
City, Mont., and Oscar of Chicago.  
There are twelve grandchildren.

Mr. Olson is 77 years of age, and  
his wife is 71. Both enjoy excellent  
health. They are members of Vaale  
church in Maple Grove township.

The Olsons are considered among  
the best farmers in their district, and  
are highly respected citizens in their

community. The Dispatch joins the  
many friends of this estimable couple  
in offering congratulations.

### STUDY CLASS MEETS

Business & Professional Women's  
Club Engaged in Study of  
Modern Drama

The study class of the Business &  
Professional Women's club met Mon-  
day evening with Miss Loretta New-  
man. The class is taking up the  
study of the modern drama and two  
one-act plays were read at the last  
meeting. The first play read was a  
comedy on psycho-analysis, "Suppres-  
sed Desires," by Susan Glaspell and  
George Cram Cook. This clever play  
was read by Miss Mary Scott, who  
brought out the subtle comedy with  
fine effect. A general discussion fol-  
lowed.

Miss Mary Tornstrom read "Trif-  
les," by Susan Glaspell. The tragedy  
of trifles was shown in this sad little  
play, in which a lonely woman's life  
on a dreary farm is brightened by  
the presence of a gay and sweetly  
singing little canary. The canary  
is a bit of throbbing joy, a gleam of  
yellow sunshine in this grey exist-  
ence. But he is killed by the hus-  
band of the woman the play portrays  
—and that's the story. Miss Torp-  
strom's sympathetic reading breathed  
life into the characters, and the  
poignant phrases of Susan Glaspell  
brought home the tragic significance  
of seeming trifles, the importance of  
the little things of life.

Later on two plays by Lady Greg-  
ory will be read, "Spreading The  
News," and "Hyacinth Halvey." In-  
creasing interest in being shown  
in this class of the club, and it is  
hoped that a play will be given be-  
fore the club members some time  
during the winter.

## MADAME BAILEY APFELBECK PLAYS

American Pianist of International  
Reputation Will Appear in  
Recital

AT BRAINERD MUSICAL CLUB

Date of Concert is Saturday After-  
noon, November 10, at 3  
O'clock

Of unusual interest will be the first Saturday afternoon concert given by the Brainerd Musical club this season which is to be Saturday, November 10th, at 3 o'clock. Madame Bailey-Apfelbeck, American pianist of international reputation, will appear in recital, and though the program has not yet been announced, a delightful afternoon is in store for the fortunate members of this club.

Madame Apfelbeck, who is associated with the Minneapolis School of Music, has complimented Minneapolis by choosing to make her home there, as she is considered one of the greatest artists of our country. No American musician has ever received such high honors abroad. Mme. Apfelbeck is the most highly decorated artist in the world, her great art and her genius having opened European doors for her fame. King Albert, of Belgium, himself a great musician and patron of music, summoned her to play for him privately at his castle. The monarch was delighted, shook her hand and said these remarkable words: "You are one of the few artists which two continents will be proud to claim—Europe and America."

Mme. Bailey-Apfelbeck's wonderful ability was clearly evidenced in her great success with the Minneapolis Symphony Orchestra. In speaking of her Emil Oberhoffer said: "Her success was instantaneous. Mme. Apfelbeck is an artist of superior order; she belongs in the front rank of pianists before the public."

Dr. Victor Nillson, the authoritative musical critic of the Minneapolis Journal said of Mme. Apfelbeck's playing: "She was simply superb in her playing of the 'Appassionata.' The greatest of musicians have played it here but Mme. Bailey-Apfelbeck's performance of it can well stand comparison with such musicians as d'Albert, Godowski and Paderewski." Truly, the coming concert is to be a real "club treat."

### Brainerd Girl a Pupil

Miss Mildred Bredenberg is a pupil of Mme. Bailey-Apfelbeck, artist instructor of the Minneapolis School of Music. Miss Bredenberg is preparing to give a recital in Minneapolis in the near future under the presentation of Mme. Apfelbeck.

## CHANGES IN WORLD MAP

Evangelist M. E. Anderson Describes  
Same in His Lecture at  
Gardner Hall  
(Contributed)

A good company gathered last night to hear Evangelist M. E. Anderson deliver his lecture "The Coming Inevitable Change in the World Map." In introducing his remarks Mr. Anderson said, "Bible writings are classified into historical, poetical, doctrinal and prophetic. All are important. All are true. It takes all four to make a complete Bible."

He said, "There is no future with God: with Him there is no past: all is present. God sees the end from the beginning and knows all. Prophecy is history in advance. Only God can accurately outline coming events. He has seen fit to open up the future in wonderful lines of Bible prophecy. The prophecy of the great image found in Daniel 2nd chapter bridges time from B. C. 500 down to the ushering in of the kingdom of Christ and eternity."

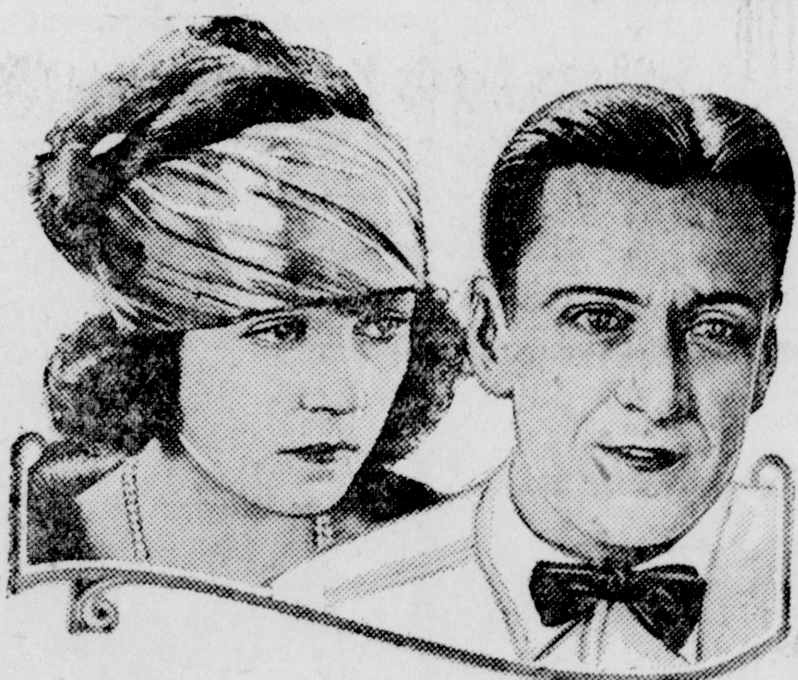

Prophecy of the Great Image

On Friday night the subject will be "The Glorious Return of the Prince of Peace. The Greatest Event of the Age." This subject will be illustrated by songs and pictures.

Tonight, in connection with the subject, "Heaven, Where Will It Be? Is it a Real Place? Will We Know Each Other There? A special song will be rendered by a ladies' quartet entitled "The Beautiful Land," illustrated profusely by new colored slides.

WANT AD CALL IS 74

Alice Brady's "The Leopardess"

Alice Brady in her latest Paramount picture, "The Leopardess," was the attraction at the Lyceum yesterday. This is Miss Brady's third motion picture since her return to the screen from the legitimate stage, and it is by far the best she has ever done. The action takes place in the South Sea islands and in New York.

The picture is intensely dramatic and thrilling, and will be shown for the last time tonight.

Milton Sills and Carmel Myers in "The Last Hour"

Thrills A Plenty in "The Last Hour" It is nothing new to speak of a thrilling scene in a motion picture. There are thrills a-plenty. One might even go so far as to say that if it were not for the "thrills," supplied as the most important ingredient in our picture fare: well, would there be any pictures? "The Last Hour" which is showing at the New Park last time tonight answers this question in the only way it can be answered.

## GOLDEN WEDDING IS CELEBRATED

Mr. and Mrs. C. O. Olson of Nokay  
Lake Township Entertained  
120 Guests

ON SUNDAY, NOVEMBER 4TH

Happy Couple is Presented With a  
Purse of Gold. Rev. O. L. Bolstad  
Making Address

Mr. and Mrs. O. C. Olson, pioneer residents of Nokay lake township, celebrated their golden wedding on Sunday, November 4th, entertaining 120 guests, relatives and friends, that evening.

A short program was arranged for the occasion. John M. Bye rendered several vocal selections, accompanied by Miss Mabel Rosenberg at the piano. Rev. O. L. Bolstad of the Norwegian-Danish Lutheran church, made a few appropriate remarks and presented Mr. and Mrs. Olson with a purse of sixty dollars in gold.

Out-of-town guests included Mrs. B. Hanson of St. Paul and Mrs. L. Storey of Minneapolis, daughters of Mr. and Mrs. Olson, and Mrs. C. Hanson of Duluth, their granddaughter.

The evening closed with a delicious luncheon and a social hour.

Mr. and Mrs. Olson were married November 4th, 1873, in Aspelund church, Goodhue county, Minnesota. Rev. Osten Hanson performing the ceremony. Shortly afterward they moved to Iowa, residing near Cresco for three years. At that time there was a plague of grasshoppers throughout Iowa, which drove the Olsons back to Minnesota, to Todd county, where they lived until 1886, when they came to Crow Wing county, settling on a homestead in Nokay lake township. They have resided there for the past thirty-seven years.

Thirteen children were born to Mr. and Mrs. Olson, eight of whom are living. They are Edward and Carl, who live with their parents, Mrs. Charles Jernberg of Brainerd, Mrs. B. Hanson of St. Paul, Mrs. L. Storey of Minneapolis, Mrs. Anna Jones, of Omaha, Miss Ines of Miles City, Mont., and Oscar of Chicago. There are twelve grandchildren.

Mr. Olson is 77 years of age, and his wife is 71. Both enjoy excellent health. They are members of Vaale church in Maple Grove township.

The Olsons are considered among the best farmers in their district, and are highly respected citizens in their

community. The Dispatch joins the many friends of this estimable couple in offering congratulations.

## STUDY CLASS MEETS

Business & Professional Women's  
Club Engaged in Study of  
Modern Drama

The study class of the Business & Professional Women's club met Monday evening with Miss Loretta Newman. The class is taking up the study of the modern drama and two one-act plays were read at the last meeting. The first play read was a comedy on psycho-analysis, "Suppressed Desires," by Susan Glaspell and George Cram Cook. This clever play was read by Miss Mary Scott, who brought out the subtle comedy with fine effect. A general discussion followed.

Miss Mary Tornstrom read "Trifles," by Susan Glaspell. The tragedy of trifles was shown in this sad little play, in which a lonely woman's life on a dreary farm is brightened by the presence of a gay and sweetly singing little canary. The canary is a bit of throbbing joy, a gleam of yellow sunshine in this grey existence. But he is killed by the husband of the woman the play portrays—and that's the story. Miss Tornstrom's sympathetic reading breathed life into the characters, and the poignant phrases of Susan Glaspell brought home the tragic significance of seeming trifles, the importance of the little things of life.

Later on two plays by Lady Gregory will be read, "Spreading The News," and "Hyacinth Halvey." Increasing interest in being shown in this class of the club, and it is hoped that a play will be given before the club members some time during the winter.

## ARMISTICE DAY IN BRAINERD

This year Armistice Day falls on Sunday and this is sufficient to give the exercises of the day a religious significance. The meaning of that day in the lives of peoples all over the world, and more particularly of those engaged in the conflict in the front line trenches, was such that the day should be remembered with something of the thrill that it brought to the soldiers of the nations and the civilians back home who were doing their best to support their brothers at the front. It is true that Armistice Day saw the ascendancy of hilarity and that many regrettable things happened owing to the strange reaction. Children are often unrestrained when school lets out, it means the end of discipline for a while. The end of the war meant so much more to those engaged in it, and while they were not children they acted with the utter lack of restraint that characterizes children.

There was one other side of the celebration on the day when the war was over. It had a peculiar significance which turned the thoughts of many into channels of thankfulness. They saw that the world was no longer controlled by Mars and they expressed their fervent thanks to their Maker whose interest in what He made never dies.

On this the fifth anniversary of Armistice Day the day falls on Sunday and it is well that suitable services should be held in which thoughts will be turned to the Providence which shapes the ends of the world. With such thoughts the American Legion of Brainerd has arranged for a service in which the people may come together in memory of those comrades who gave their last full measure of devotion to the great cause which inspired America's conduct, to give thanks for the dawn of peace and the daybreak of a larger hope, and to pledge their best endeavor towards bringing in such a spirit that the words of President Harding, spoken on an Armistice Day, may be prophetic, "It must not be again," and to pledge their devotion to America and American ideals.

In 1918 the men in France had two thoughts when they heard that the armistice was signed. The first of these was, "Is it really true?" and the second, "When will we get home?" It was true, though at the time they could hardly believe it, and it was not long until they reached home—those who lived to re-cross the Atlantic.

If Armistice Day helps in increasing the patriotism of the American people—not the shallow patriotism that is ready to follow any lead anywhere, but the sane patriotism that will lead them to insist that America take the right stand for the things that are just and right—if it serves to enlarge the vision and enthusiasm of those who are intent upon making the World war the last war in which nations shall attempt by such methods to win that which cannot be won on battlefields, in other words, if they remember the slogan that was an inspiration to many a boy who crossed the seas and went out believing it to be "a war to end war," Armistice Day will serve a useful purpose and its recognition in this manner will bring blessings upon the world.

## CROW WING COUNTY POULTRY SHOW

The Crow Wing county poultry show association has already proved its right to a larger recognition than it has received up to this time from the people of the county. This young organization has demonstrated the fact that, by insisting upon something of value to the individual and indirectly to the county, that which is brought to the attention of the individuals who may be interested wins consideration and the aims of those presenting it realization.

Last year proved that this organization is doing a splendid work in the county. Gardner hall was alive with the cackling of hens and the crowing of roosters. When musicians attempted to offer their numbers on a prepared program the denizens of the various pens interrupted the singers to such an extent that the singers could not respond because of the persistency of the applause from their feathered audience.

A good quality of poultry is encouraged by such shows, Crow Wing county is becoming a center of the poultry industry and the growth of the industry is such that those who have considered it are convinced that the people of the county should be more actively interested in this newer development. The association is now buying pens which will be owned by it and this is an expression of the association's confidence in its work. Brainerd's best hope lies in the development of the county's agricultural resources and the poultry association is doing a work whose value to the city and the county cannot be too highly appreciated. Its members have vision and it is through vision, and effort directed to the end of bringing into substance the things dreamed, that small beginnings become great ends. Other places have developed this industry until they have become known all over the United States and Crow Wing county, thanks to the thought and effort of the association, is on its way to a place in which it too will be known as a county noted for the quality of its poultry and for the profits accruing from the industry. When that day comes Brainerd will realize that the initiators of the poultry association deserved more credit than they secured and more support than was given them.

If the present weather keeps up it will help the long-suffering public to get even with the coal barons.

Mrs. Wilamena Schrader Passed Away at Home of Daughter at Age of 90 Years

Mrs. Wilamena Schrader, aged mother of D. D. Schrader of Brainerd, passed away Tuesday evening at the home of her daughter, Mrs. C. O. Nelson, in Pequot.

During the Civil war, while her

husband served in the army for the entire duration of the conflict, she supported her small children unaided, and cleared land to put into crops.

After the war the family moved to Dodge county, Minnesota, where they resided on a farm until the year 1887 when Mr. Schrader died. Mrs. Schrader has lived in Crow Wing county since 1898.

Eleven children were born to the family, six of whom are living, being Anna of Oregon, Bertha Nelson of Pequot, Minnie Brown of Rochester, F. G. Schrader of Woodland, California, Joseph J., of Chatfield, and

## PARENT-TEACHERS OF THE LOWELL

Present a Program Which Was  
Both Interesting and  
Educational

MISS EULA MICHAEL SPOKE

Miss Loretto Newman Discussed  
Need of Evening Classes In  
City

The Parent-Teachers Association  
of the Lowell school held its regular  
meeting on Tuesday night, present-  
ing a program both interesting and  
educational.

Miss Eula Michael, city nurse, gave  
an excellent talk on a subject which  
has been much before the eyes of  
parents since the opening of school,  
namely, "The Control of Contagion  
Among School Children." She dis-  
cussed the ways in which the school  
and the home may co-operate to pre-  
vent the spreading of contagious dis-  
eases, stating that the best way for  
the parents to help is to keep their  
children physically fit in order that  
they may resist and overcome the  
disease germs.

For physical fitness, children need  
proper food and plenty of sleep as  
first considerations. Miss Michael  
went on to explain that the great  
death rate due to contagious diseases  
among children is not the only and  
most appalling result. There is  
another aspect in physical defects,  
such as deafness, poor eyesight, etc.,  
which can be traced to these diseases.

Miss Vivian Bomstrom favored the  
meeting with a saxophone solo, ac-  
companied on the piano by her sister,  
Miss Evelyn.

Miss Loretto Newman then gave a  
talk which she said had been called  
forth by the suggestion made by the  
Northeast Brainerd Improvement  
League for evening classes in this  
city. She discussed the need for  
such classes, among the younger  
people between the ages of 15 and 18  
years especially.

Miss Newman stated that in her  
work among juvenile delinquents  
she has learned that something must  
be done for the younger people to  
provide for their leisure hours. She  
urged parents to do their share by  
making an effort to keep their chil-  
dren in the home and to make it their  
business to know how and where the  
children spend their evenings, if they  
are away from home. She urged  
that something be done in the near  
future in the way of evening classes  
for the younger people.

Superintendent W. C. Cobb gave  
information on the state law which  
provides for the maintaining of even-  
ing classes. State aid is only ob-  
tainable where Americanization or  
industrial work in preparation for a  
trade is the subject taught. Mrs.  
Elmer Forsberg, president of the  
Lowell Association, appointed a com-  
mittee to investigate the possibility  
of evening classes and the subjects  
to be taught. Mrs. James Crust was  
made chairman of this committee.

Dr. A. K. Cohen announced that  
the Elks at the last meeting of the  
lodge, declared themselves willing  
and ready to do all in their power to  
further the scheme for starting even-  
ing classes in the city. Dr. Cohen  
entertained the meeting with a vocal  
solo, accompanied by Miss Marion  
Opsahl at the piano.

A committee was named to under-  
take the buying of a new portable  
Victrola for the Lowell school. This  
committee consists of Mrs. Jack  
Doepke, Mrs. O. E. Swanson, Miss  
Mabel Williams and Miss Mabel  
Early.

The program committee for the  
next meeting includes Mrs. J. H.  
Herbert, Mrs. Templeton, Miss Eliza-  
beth Benson and Miss Florence  
Campbell.

### NOTICE

In order that those who desire  
sprinkling and flushing of streets in  
the residence districts may have such  
service, the City Council has made  
arrangements for such service upon  
the condition that the residents along  
any street desiring such service peti-  
tion the council for such service,  
stating in their petition that they  
agree to pay the sum of three (3)  
cents a front foot to defray the cost  
of same. Because of the limited time  
for the preparation of assessment  
rolls, these petitions should be into  
the City Clerk's office not later than  
November 19th, 1923.

By order of the City Council,  
E. T. FLENNER,  
City Clerk.

## LEGION'S FALL PROGRAM LIVELY

One of Most Interesting Meetings  
Held on Monday Evening at  
Elks Hall

### ARMISTICE DAY ON SUNDAY

Dance to be Given Monday Evening,  
Nov. 12; Third Number is a  
Smoker

The American Legion's fall pro-  
gram got under way with a bang at  
the regular meeting of that organiza-  
tion held Monday night. It is said  
to have been one of the most interest-  
ing meetings that the Legion has  
held in some time.

Armistice Day, Sunday, November  
11th, will be fittingly observed with  
a special program to be held at the  
New Park theatre promptly at 12:10.  
The committee, composed of A. A.  
Gierlet, chairman, O. A. Peterson and  
Kirk Smith, wish it understood that  
this program is not in any way a  
memorial service, but rather a jolli-  
fication event commemorating the  
closing of the world war.

All ex-service men, whether they  
are Legionnaires or not, are invited  
and urged to attend this meeting  
Sunday noon. The program which  
has been arranged is a particularly  
fine one, which no one should miss.

Preparations are in full swing for  
the annual Armistice Day dance,  
which will be given on Monday even-  
ing, Nov. 12th, by the Legion at Elks  
hall. These dances have been very  
successful in the past, and it is the  
hope of the Legion that the one on  
next Monday evening will break all  
records.

Excellent music has been provided,  
the hall especially decorated for the  
occasion, and favors are planned for  
the ladies. All who attend this  
dance are promised a most pleasant  
evening. The public is invited to at-  
tend.

The third number on the fall pro-  
gram is a smoker, which will be  
given just before Thanksgiving. A  
committee is at work on this event  
and will have more to say about it a  
little later.

The Monday evening meeting  
closed with a wrestling exhibition  
between Carl Fletcher, of Sartell,  
contestant for the lightweight  
championship of the United States,  
and Lawrence Johnson, well known  
knight of the mat. These two pro-  
fessionals entertained the Legionnaires  
with a fast 30-minute exhibition,  
greatly enjoyed by all present.

## 17 APPLICANTS MADE CITIZENS

Just Half of the Number Who Were  
Examined at District Court  
Session

### NATURALIZATION DAY

Program Was in Charge of Crow  
Wing County Boy Scout Council  
Assisted by Legion

Seventeen applicants were admitted  
to citizenship on Wednesday in dis-  
trict court, just half of the number  
that were examined.

The naturalization day program was  
in charge of the Boy Scout council, as-  
sisted by the American Legion. Scout  
Executive E. W. Stimble announced  
the different numbers on the program,  
which opened with the audience sing-  
ing the first and last verse of Amer-  
ica. The new silk flag recently pur-  
chased by the American Legion hung  
just back of Judge W. S. McClenahan's  
desk, and added much to the atmos-  
phere of the court.

J. G. Greely, of St. Paul, examined  
the 34 candidates for citizenship, 17  
being denied this privilege, and recom-  
mended to attend the evening  
school which is proposed, and which  
may be held in conjunction with the  
city school system.

Mr. Greely followed his examination  
by an address to the applicants dis-  
cussing the value of citizenship, and  
stressed the further need of study,  
even for those who were admitted to  
citizenship, either in evening classes  
or otherwise.

The history class of the high school,  
which will take up civil government  
in the last semester of the year, was  
present in a body, and derived much  
benefit from the exercises.

A reception and luncheon was held  
following the program in the judge's  
chambers. About 60 local citizens  
were present to congratulate the suc-  
cessful applicants for naturalization.

The names of the 17 successful ap-  
plicants follow:

Tony Minarich, Ironton; John Min-  
arich, Manganese; Lars Isakson Ly-  
sio, Crosby; Edna May Edwards Pe-  
tersen, Woodrow; Daniel Peterson,  
Woodrow; Iver Martin Mohn, Jen-  
kins; Luella Mathilda Rodean Mohn,  
Jenkins; Mary Turk, Crosby; Edward

na Louise Gellerman Edin, Cuyuna;  
Peter Tomac, Crosby; Carl Victor  
Johnson, 1402 South Ninth street,  
Brainerd, and Louis Lekatz, Crosby.

Only two of the five applicants from  
Brainerd were granted citizenship,  
while the greater percentage of those  
from the range had little trouble in  
passing the examination. It is said  
that this is because a thorough night  
school course has been offered in  
Ironton and Crosby, while Brainerd  
has not had such facilities for the  
past three years.

She urged parents to do their share by making an effort to keep their children in the home and to make it their business to know how and where the children spend their evenings, if they are away from home. She urged that something be done in the near future in the way of evening classes for the younger people.

Superintendent W. C. Cobb gave information on the state law which provides for the maintaining of evening classes. State aid is only obtainable where Americanization or industrial work in preparation for a trade is the subject taught. Mrs. Elmer Forsberg, president of the Lowell Association, appointed a committee to investigate the possibility of evening classes and the subject to be taught. Mrs. James Crust was made chairman of this committee.

Dr. A. K. Cohen announced that the Elks at the last meeting of the lodge, declared themselves willing and ready to do all in their power to further the scheme for starting evening classes in the city. Dr. Cohen entertained the meeting with a vocal solo, accompanied by Miss Marten Opsahl at the piano.

A committee was named to undertake the buying of a new portable Victrola for the Lowell school. This committee consists of Mrs. Jack Doepke, Mrs. O. E. Swanson, Miss Mabel Williams and Miss Mabel Early.

The program committee for the next meeting includes Mrs. J. H. Herbert, Mrs. Templeton, Miss Elizabeth Benson and Miss Florence Campbell.

Nov. 12; Third Number is a

The American Legion's fall program got under way with a bang at the regular meeting of that organization held Monday night. It is said to have been one of the most interesting meetings that the Legion has held in some time.

Armistice Day, Sunday, November 11th, will be fittingly observed with a special program to be held at the New Park theatre promptly at 12:10. The committee, composed of A. A. Gierler, chairman, O. A. Peterson and Kirk Smith, wish it understood that this program is not in any way a memorial service, but rather a justification event commemorating the closing of the world war.

All ex-service men, whether they are Legionnaires or not, are invited and urged to attend this meeting Sunday noon. The program which has been arranged is a particularly fine one, which no one should miss.

Preparations are in full swing for the annual Armistice Day dance, which will be given on Monday evening, Nov. 12th, by the Legion at Elks hall. These dances have been very successful in the past, and it is the hope of the Legion that the one on next Monday evening will break all records.

Excellent music has been provided, the hall especially decorated for the occasion, and favors are planned for the ladies. All who attend this dance are promised a most pleasant evening. The public is invited to attend.

The third number on the fall program is a smoker, which will be given just before Thanksgiving. A committee is at work on this event and will have more to say about it a little later.

The Monday evening meeting closed with a wrestling exhibition between Carl Fletcher, of Sartell, contestant for the lightweight championship of the United States, and Lawrence Johnson, well known knight of the mat. These two professionals entertained the Legionnaires with a fast 30-minute exhibition, greatly enjoyed by all present.

## 17 APPLICANTS MADE CITIZENS

Just Half of the Number Who Were  
Examined at District Court  
Session

### NATURALIZATION DAY

Program Was in Charge of Crow  
Wing County Boy Scout Council  
Assisted by Legion

Seventeen applicants were admitted to citizenship on Wednesday in district court, just half of the number that were examined.

The naturalization day program was in charge of the Boy Scout council, assisted by the American Legion. Scout Executive E. W. Stimble announced the different numbers on the program, which opened with the audience singing the first and last verse of America. The new silk flag recently purchased by the American Legion hung just back of Judge W. S. McClenahan's desk, and added much to the atmosphere of the court.

J. G. Greely, of St. Paul, examined the 34 candidates for citizenship, 17 being denied this privilege, and recommended to attend the evening school which is proposed, and which may be held in conjunction with the city school system.

Mr. Greely followed his examination by an address to the applicants discussing the value of citizenship, and stressed the further need of study, even for those who were admitted to citizenship, either in evening classes or otherwise.

The history class of the high school, which will take up civil government in the last semester of the year, was present in a body, and derived much benefit from the exercises.

A reception and luncheon was held following the program in the judge's chambers. About 60 local citizens were present to congratulate the successful applicants for naturalization.

The names of the 17 successful applicants follow:

Tony Minarich, Ironton; John Minarich, Manganese; Lars Isakson Lyso, Crosby; Edna May Edwards Peterson, Woodrow; Daniel Peterson, Woodrow; Iver Martin Mohn, Jenkins; Luella Mathilda Rodean Mohn, Jenkins; Mary Turk, Crosby; Edward Thomas, Ironton; George Perpich, Ironton; Ernest C. Larson, 911 Mill street, Brainerd; Steve Domin, Crosby; Jacob Leonard Edin, Cuyuna; Anna Louise Gellerman Edin, Cuyuna; Peter Tomac, Crosby; Carl Victor Johnson, 1402 South Ninth street, Brainerd, and Louis Lekatz, Crosby.

Only two of the five applicants from Brainerd were granted citizenship, while the greater percentage of those from the range had little trouble in passing the examination. It is said that this is because a thorough night school course has been offered in Ironton and Crosby, while Brainerd has not had such facilities for the past three years.

Following is the list of grand jurors and petit jurors as shown by the court calendar:

## HUNTING DEMPSEY OPPONENT ABROAD

By HENRY L. FARRELL  
United Press Sports Editor

New York, Nov. 8.—Tex O'Rourke, well-known trainer and manager and connected not long ago with the defunct International Sporting Club, set out some time back for the wilds of England to find a fighter who was willing to become the next heavyweight champion.

Prospects of being forced to tap Jack Dempsey on the chin to acquire fame and fortune did not appeal very much to the British youngsters, according to newspaper reports from London and, after traveling all over the country, O'Rourke was able to interest only three prospects that he had succeeded in picking up.

The three: H. A. Walker Macran, age 22, six feet three and 217 pounds; Isaac Ingletton, 24, six feet five and 215 pounds, and Basil Price, 20, six feet two and a half and 235 pounds, were captured by O'Rourke and put into training in the Malvern camp.

It will take three months to bring the three candidates along the technical stages of training and then, as a London writer aptly puts it, "It will require the great test of gameness to prove them."

Considering the fact that so much money awaits the "unknown" who is to come along and win the championship from Dempsey, British youngsters with the physical qualifications to interest themselves in the big chance that O'Rourke was willing to take with them.

Apparently British experts have not come to the conclusion, reached here a good many years ago when the mad quest for the "white hope" was on that champion fighters are born and not made. It might be argued that Jess Willard was made and not born with the qualifications of a champion because the former champion never did show the instincts of a born fighter. It might be advanced as a counter argument also that Willard never was a great fighter and therefore was neither born nor made one.

The exploring work now being done to find a heavyweight to beat Jack Dempsey is purely a mercenary one and it takes no wise manager to know that a fortune awaits the man who can find the next champion.

## ZUPPKE TELLS WHY GRANGE IS STAR

Urbana, Ill., Nov. 7.—Coach Zupple of Illinois gives the following explanation of why Harold Grange is a great football player and why Rune Clark, who was expected to star, has not shown brilliantly:

"Grange has absolutely no lost motion.

"He doesn't take an unnecessary step.

"He is the fastest man I ever coached.

"He has the ideal football physique; stocky thighs, long muscles calves and a man sized foot that enables him to keep his balance even when he is hit hard.

"Rune Clark has proved disappointing because he lacks a good foot. Clark's feet are so small that he can't keep his balance playing against a bunch of he-footed men. That is not his fault; it is his misfortune."

## LIGHTENS WORK OF MINNESOTA

Minneapolis, Nov. 7.—Fearing staleness, William Spaulding has decided to lighten the Gophers' work until Thursday. The eleven had a slight slump in the Northwestern game, in spite of the brilliant 34 to 14 victory. The players as well as the coaches have been under a severe strain for three weeks.

Spaulding now faces the task of letting his men down from a fine point and bringing them back again for Iowa, Nov. 17. Captain Earl Martineau was due to return to practice, after a day layoff. The Gopher leader suffered a slight strain Saturday, but was out limbering up today.

Louis Gross looked none the worse for wear. He ran through signals under the watchful eye of Leonard Frank, line coach. Frank reports that the tackle will be in tip top condition for Iowa. Hugh McDonald is ready to renew his fight for a regular line berth.

## DUCKS ARE PLENTIFUL NEAR PRAIRIE DU CHIEN

Prairie du Chien, Wis., Nov. 7.—A flock of wild ducks estimated at 10,000, has been staying around for several days in Horseshoe lake, near the Mississippi, between Prairie du Chien and McGregor, Iowa. Blinds of brush have been built all along one side of the lake by hunters, and the popping of guns is in the air all day long.

Besides excellent duck hunting, sportsmen report the finest hook and line fishing right now that there has been in this part of the Mississippi in years. Splendid catches of bass and pike are being made.

## SECOND AND THIRD PLACE CLUBS SENT CHECKS FOR SERIES

Chicago, Nov. 8.—The last bit of work incidental to the distribution of the world's series money was cleared up when Leslie O'Connor, secretary to the commissioner, mailed out checks to members of the teams finishing second and third in the pennant race of the two leagues.

The Detroit and Cincinnati clubs, which finished in second place, drew \$27,659 each. This means \$1,078 for each member of the Reds and \$1,024 for each Tiger. The sum of \$18,439 went to both third place clubs—Cleveland and Pittsburgh. Each Pirate athlete will receive \$735 and each Indian \$625.

## ST. CLOUD BOY STAR ON WOLVERINE FROSH

St. Cloud, Nov. 8.—Jack Coates, who starred last year for the St. Cloud Technical high school on its football and basketball teams, is playing regular end on the freshman team of the University of Michigan. At high school here he played a wing position and was rated as being one of the best of the local high school ever produced. He was picked as all state running guard last year in basketball.

## SISLER PREDICTS PRUETT COMEBACK

St. Louis, Nov. 8.—George Sisler, new manager of the St. Louis Americans, has expressed the belief that Hubert Pruet, fadeaway sensation of 1922, whose arm failed him last season, will come back next year and do remarkable work for the Browns. Pruet is resting in California. "When a pitcher loses his arm it is generally from an injury to the shoulder," Sisler said. "Pruett's shoulder is as sound as ever. I believe the rest he is taking will fix him up."

## COCHRAN WILL MAKE TRIP WEST BEFORE PLAYOFF WITH HOPPE

New York, Nov. 8.—Welker Cochran, who created a sensation in the billiard world by getting a tie with Willie Hoppe, in the international tournament for the 18.2 ballline world's title which ended Monday will go to California on business for three or four weeks before returning to Chicago to meet Hoppe in the playoff. Hoppe will go on an exhibition tour.

## LONG BEACH COUNCIL PROHIBITS WRESTLING

Long Beach, Calif., Nov. 8.—An ordinance prohibiting wrestling in the city of Long Beach has been passed by the council and will become effective in 30 days. Mayor Buffum assured fans who presented the petition in favor of retaining the sport that the action was taken "for the best good" of Long Beach.

## French Bookies Lucky None Parleyed Bets on Yesterday's Meeting

Paris, Nov. 8.—A \$2 bet—roughly 30 francs—parleyed on the six winners at the Maisons Laffitte race track yesterday would have won 42,425,000,000 francs. The entire banknote circulation is below 40,000,000,000.

The six winners averaged 50 to 1. The odds on the horse that won the first race were 175 to 1, on the second 15 to 1, the third 20 to 1 and the fourth, fifth and sixth ran 30 to 1. Dave Englander was the only American jockey to pilot home a winner.

## JIM DELANEY GETS DECISION IN FIGHT WITH MARTIN BURKE

Los Angeles, Nov. 8.—Jimmy Delaney, light heavyweight boxer of St. Paul, won a decision over Martin Burke of New Orleans in the main event at Vernon arena here. Johnny O'Donnell, lightweight, decisively defeated Joe Layman in the semi-final.

## NEBRASKA TEAM DRILLS HARD FOR NOTRE DAME

Lincoln, Neb., Nov. 7.—The Nebraska football team went through a hard drill in preparation for the invasion of Knute Rockne and his Notre Dame football players behind locked gates yesterday.

The coming Saturday game is attracting one of the greatest crowds in the history of the gridiron sport at Nebraska, athletic authorities said. Walter Eckersall will referee the game.

### Raccoon Pie Thief

(By United Press)

Saranac Lake, N. Y., Nov. 7.—A group of boy campers at Eagle Lake returned to camp recently, hungry as wolves, to find that a large apple pie sent from one of their homes has disappeared.

There was, however, a plain trail of pie juice leading into the wood. Just out of the clearing the boys came upon their treasure, or what was left of it. The thief was a large raccoon, who reluctantly left the feast he had stolen, and disappeared in the brush.

## Here are the New Remington Game Loads

THE next time you go out hunting, stop at your dealer's and ask him for a box of Remington Game Loads for the particular kind of game you are after.

The name of the game is right on the box.

You'll note that the weight of the powder is not marked on the box.

It isn't shown because Remington Game Loads are not loaded to specified weight.

The box of shells you get is loaded to give a uniform velocity, pattern and penetration.

Remington tests showed that powder varies batch by batch—even the same kind and weight. A given weight of the same kind of powder doesn't always give the same results. So in Game Loads Remington adjusts the amount of powder to give exactly the right shooting quality for the specific game. Powder varies—Remington Game Loads do not.

Take just one box of Remington Game Loads out and use them. Notice how they shoot in your gun.

And remember this: If you go back to the store next week or next month—or go to any store in a different town—and get another box of the same kind of Remington Game Load, the shells will perform exactly the same.

## HUNTING DEMPSEY OPPONENT ABROAD

By HENRY L. FARRELL  
United Press Sports Editor

New York, Nov. 8.—Tex O'Rourke, well-known trainer and manager and connected not long ago with the defunct International Sporting Club, set out some time back for the wilds of England to find a fighter who was willing to become the next heavyweight champion.

Prospects of being forced to tap Jack Dempsey on the chin to acquire fame and fortune did not appeal very much to the British youngsters, according to newspaper reports from London and, after traveling all over the country, O'Rourke was able to interest only three prospects that he had succeeded in picking up.

The three: H. A. Walker Macran, age 22, six feet three and 217 pounds; Isaac Ingleton, 24, six feet five and 215 pounds, and Basil Price, 20, six feet two and a half and 235 pounds, were captured by O'Rourke and put into training in the Malvern camp.

It will take three months to bring the three candidates along the technical stages of training and then, as a London writer aptly puts it, "It will require the great test of gameness to prove them."

Considering the fact that so much money awaits the "unknown" who is to come along and win the championship from Dempsey, British youngsters with the physical qualifications to interest themselves in the big chance that O'Rourke was willing to take with them.

Apparently British experts have not come to the conclusion, reached here a good many years ago when the mad quest for the "white hope" was on that champion fighters are born and not made. It might be argued that Jess Willard was made and not born with the qualifications of a champion because the former champion never did show the instincts of a born fighter. It might be advanced as a counter argument also that Willard never was a great fighter and therefore was neither born nor made one.

The exploring work now being done to find a heavyweight to beat Jack Dempsey is purely a mercenary one and it takes no wise man to know that a fortune awaits the man who can find the next champion.

## ZUPPKE TELLS WHY GRANGE IS STAR

Urbana, Ill., Nov. 7.—Coach Zuppke of Illinois gives the following explanation of why Harold Grange is a great football player and why Rube Clark, who was expected to star, has not shown brilliantly:

"Grange has absolutely no lost motion.

"He doesn't take an unnecessary step.

"He is the fastest man I ever coached.

"He has the ideal football physique; stocky thighs, long muscles calves and a man sized foot that enables him to keep his balance even when he is hit hard.

"Rube Clark has proved disappointing because he lacks a good foot. Clark's feet are so small that he can't keep his balance playing against a bunch of he-footed men. That is not his fault; it is his misfortune."

## LIGHTENS WORK OF MINNESOTA

Minneapolis, Nov. 7.—Fearing staleness, William Spaulding has decided to lighten the Gophers' work until Thursday. The eleven had a slight slump in the Northwestern game, in spite of the brilliant 34 to 14 victory. The players as well as the coaches have been under a severe strain for three weeks.

Spaulding now faces the task of letting his men down from a fine point and bringing them back again for Iowa, Nov. 17. Captain Earl Martineau was due to return to practice, after a day layoff. The Gopher leader suffered a slight strain Saturday, but was out limbering up today.

Louis Gross looked none the worse for wear. He ran through signals under the watchful eye of Leonard Frank, line coach. Frank reports that the tackle will be in tip top condition for Iowa. Hugh McDonald is ready to renew his fight for a regular line berth.

## DUCKS ARE PLENTIFUL NEAR PRAIRIE DU CHIEN

Prairie du Chien, Wis., Nov. 7.—A flock of wild ducks estimated at 10,000, has been staying around for several days in Horseshoe lake, near the Mississippi, between Prairie du Chien and McGregor, Iowa. Blinds of brush have been built all along one side of the lake by hunters, and the popping of guns is in the air all day long.

Besides excellent duck hunting, sportsmen report the finest hook and line fishing right now that there has been in this part of the Mississippi in years. Splendid catches of bass and pike are being made.

## HOPPE SHOWS NERVE IN PLAY

New York, Nov. 7.—The 1923 world's championship at 18.2 ball-line billiards lies between Willie Hoppe and Welker Cochran, who will fight it out some time soon, probably in Chicago.

As he always has done, with the exception of one year, when everything was at stake, Hoppe reacted to pressure and made an amazing uphill fight, winning a sensational contest that forced into temporary oblivion young Jake Schaefer, 500 to 446. Cochran won his fourth game from Edouard Horemans, 500 to 472, giving him a tie for the title.

When Hoppe and Schaefer play it usually is the same story. Willie is strongest in adversity and Jake is weakest in success. When everything hinges on perfect control Hoppe, regarded by many as unequal in sheer shot making ability to Schaefer, attains complete mastery of himself and Schaefer loses his nerve.

There were 12 innings in Monday night's game. At the end of the third Schaefer looked the winner and Hoppe appeared miserable. The champion won the bank, made three, clicked 66 on his second turn and missed altogether on his third. With as many turns Schaefer tallied 330, giving him a lead of 241 over the defender.

## ZBYSZKO CONCEDES WINNIPEG BOUT: IS HISSED BY CROWD

Winnipeg, Man., Nov. 7.—Claiming he had a boil on his knee, Wladek Zbyszko of New York conceded his wrestling match to Jack Taylor, Canadian champion, here.

The 4,000 spectators were displeased with the New Yorker's actions and hissed him as he left the mat. Zbyszko won the first fall in 28 minutes with a hammer lock and scissors hold, but refused to continue. He was only persuaded to do so when the boxing commission threatened to withhold his end of the purse.

On the second fall Zbyszko started to rough it and brought blood from Taylor's nose from repeated elbow jabs. He lost this fall for fouling.

The final fall lasted only a few minutes. Zbyszko quitting when Taylor punished the sore leg.

## Eugene Criqui Injured

Paris, Nov. 8.—Eugene Criqui, former featherweight champion of the world, so severely injured the bones of his right hand in his fight with Hebraus, Oct. 6, that he will be unable to enter the ring for another six months, it is now stated.

## SECOND AND THIRD PLACE CLUBS SENT CHECKS FOR SERIES

Chicago, Nov. 8.—The last bit of work incidental to the distribution of the world's series money was cleared up when Leslie O'Connor, secretary to the commissioner, mailed out checks to members of the teams finishing second and third in the pennant race of the two leagues.

The Detroit and Cincinnati clubs, which finished in second place, drew \$27,659 each. This means \$1,078 for each member of the Reds and \$1,024 for each Tiger. The sum of \$18,439 went to both third place clubs—Cleveland and Pittsburgh. Each Pirate athlete will receive \$735 and each Indian \$625.

## ST. CLOUD BOY STAR ON WOLVERINE FROSH

St. Cloud, Nov. 8.—Jack Coates, who starred last year for the St. Cloud Technical high school on its football and basketball teams, is playing regular end on the freshman team of the University of Michigan. At high school here he played a wing position and was rated as being one of the best of the local high school ever produced. He was picked as all state running guard last year in basketball.

## SISLER PREDICTS PRUETT COMEBACK

St. Louis, Nov. 8.—George Sisler, new manager of the St. Louis Americans, has expressed the belief that Hubert Pruett, fadeaway sensation of 1922, whose arm failed him last season, will come back next year and do remarkable work for the Browns. Pruett is resting in California. "When a pitcher loses his arm it is generally from an injury to the shoulder," Sisler said. "Pruett's shoulder is as sound as ever. I believe the rest he is taking will fix him up."

## COCHRAN WILL MAKE TRIP WEST BEFORE PLAYOFF WITH HOPPE

New York, Nov. 8.—Welker Cochran, who created a sensation in the billiard world by getting a tie with Willie Hoppe, in the international tournament for the 18.2 ball-line world's title which ended Monday will go to California on business for three or four weeks before returning to Chicago to meet Hoppe in the playoff. Hoppe will go on an exhibition tour.

## LONG BEACH COUNCIL PROHIBITS WRESTLING

Long Beach, Calif., Nov. 8.—An ordinance prohibiting wrestling in the city of Long Beach has been passed by the council and will become effective in 30 days. Mayor Buffum assured fans who presented the petition in favor of retaining the sport that the action was taken "for the best good" of Long Beach.

## French Bookies Lucky None Parleyed Bets on Yesterday's Meeting

Paris, Nov. 8.—A \$2 bet—roughly 30 francs—parleyed on the six winners at the Maisons Laffitte race track yesterday would have won 42,425,000,000 francs. The entire banknote circulation is below 40,000,000,000. The six winners averaged 50 to 1. The odds on the horse that won the first race were 175 to 1, on the second 15 to 1, the third 20 to 1 and the fourth, fifth and sixth ran 30 to 1. Dave Englander was the only American jockey to pilot home a winner.

## JIM DELANEY GETS DECISION IN FIGHT WITH MARTIN BURKE

Los Angeles, Nov. 8.—Jimmy Delaney, light heavyweight boxer of St. Paul, won a decision over Martin Burke of New Orleans in the main events at Vernon arena here. Johnny O'Donnell, lightweight, decisively defeated Jpe Layman in the semi-final.

## NEBRASKA TEAM DRILLS HARD FOR NOTRE DAME

Lincoln, Neb., Nov. 7.—The Nebraska football team went through a hard drill in preparation for the invasion of Knute Rockne and his Notre Dame football players behind locked gates yesterday. The coming Saturday game is attracting one of the greatest crowds in the history of the gridiron sport at Nebraska, athletic authorities said. Walter Eckersall will referee the game.

## Raccoon Pie Thief

(By United Press)

Saranac Lake, N. Y., Nov. 7.—A group of boy campers at Eagle Lake returned to camp recently, hungry as wolves, to find that a large apple pie sent from one of their homes has disappeared.

There was, however, a plain trail of pie juice leading into the wood. Just out of the clearing the boys came upon their treasure, or what was left of it. The thief was a large raccoon, who reluctantly left the feast he had stolen, and disappeared in the brush.

# Here are the New Remington Game Loads

THE next time you go out hunting, stop at your dealer's and ask him for a box of Remington Game Loads for the particular kind of game you are after.

The name of the game is right on the box.

You'll note that the weight of the powder is not marked on the box.

It isn't shown because Remington Game Loads are not loaded to specified weight.

The box of shells you get is loaded to give a uniform velocity, pattern and penetration.

Remington tests showed that powder varies batch by batch—even the same kind and weight. A given weight of the same kind of powder doesn't always give the same results. So in Game Loads Remington adjusts the amount of powder to give exactly the right shooting quality for the specific game. Powder varies—Remington Game Loads do not.

Take just one box of Remington Game Loads out and use them. Notice how they shoot in your gun.

And remember this: If you go back to the store next week or next month—or go to any store in a different town—and get another box of the same kind of Remington Game Load, the shells will perform exactly the same.
